CIRCULAR

Subject: Compliance on IPDMS

NPPA had vide notice dated 12.01.2017 issued instructions to all pharmaceutical companies to register themselves and all their pharmaceutical products in IPDMS and also to file all mandatory forms as provided in DPCO, 2013 through IPDMS. As the response from companies was not very encouraging, despite various notices and meetings, NPPA was constrained to issue an O.M on 01.02.2017, wherein compliance on IPDMS was made a pre-requisite for consideration of the representations of the companies for retail price approvals, and price calculation sheets(prior to price fixation) etc .

Subsequent to the meeting taken in the Department of Pharmaceuticals regarding immediate compliance with IPDMS, many companies are sending requests for deletion/correction of the entries in IPDMS, which they themselves have filed, stating various reasons like duplicate entry, incorrect entry etc and also sending their personnel to this office without any prior intimation or appointment. NPPA requires to verify the entries before accepting such change requests of the companies.

Considering time and space constraints, all companies are requested to send such requests if any, for changes in IPDMS to be done by NPPA, by e-mail to nppa@nic.in and not to send any personnel to NPPA office for this work, without getting prior appointment for the same.

Yours faithfully

22/3/17
